ABOUT THE STRATEGY**:-

Philosophy: The philosophy behind growth investing is based on the assumption that India is a high growth economy with a strong entrepreneurial culture. Our endeavor is to identify and invest in growth companies through a combination of top-down and bottom up fundamental research to enable long term wealth creation. A typical Portfolio generally consists of between 8-14 stocks across sectors. We may construct such concentrated Portfolios as per the Clients need and understanding.

Strategy: Invest in companies across the market capitalization range, which have high growth potential and potential to deliver long-term capital appreciation.

Description of types of securities: Equity | **Investment horizon:** 3 to 5 Years | **Risk associated with Investment approach:** High Risk

Allocation of Portfolio across types of securities: Upto 100% in equity (cash portion may be deployed in liquid funds/ debt securities).

Allocation across Market Cap: Since portfolio is concentrated, focus is more on stock selection than on market cap allocation.
